Job Title:

Behavior Technician

Minimum Experience Required:

No experience requirement provided.

Job Description:

Niagara Falls. Intandem. BEHAVIOR TECHNICIAN. MAIN FUNCTION: Assisting with facilitation of behavior programming in conjunction with the Behavior Intervention Specialist. Appropriate implementation and review of documentation for all individuals in the designated waiver programs, in accordance with Office of People with Developmental Disabilities (OPWDD) and its regulations. DUTIES AND RESPONSIBILITIES: 1. The Behavior Technician will report directly to the Assistant Director of Behavior Services. 2. Coordinates and/or assist in the development and presentation of in-service training. 3. Assesses and reassesses individuals and recommends revision of behavior methodologies, as necessary, to ensure proper placement in the least restrictive environment. 4. Ensures the provision of, understands and utilizes the functional behavior analysis and evaluations for behavior services. 5. Conducts observations of Individuals regularly for case reviews, which includes reviewing progress and concerns in program implementation, progress notes, behavioral tracking and crisis behaviors as needed by the program. 6. Assists in ensuring appropriate behavioral programming is fully integrated between the day program and residential setting. 7. Assists, monitors, coordinates and ensures proper service delivery in accordance with life plans and other plans of service by providing feedback to staff on behavior programming and implementation. 8. Member of the Interdisciplinary Treatment Team to discuss current behavior problems/progress and develop solutions with the team to address the behavior. 9. Ensures services delivered are documented in accordance with regulatory requirements and Programmatic/Agency Policy and Procedures. 10. Will assist in the Quality Assurance/Quality Improvement aspects of the program including incident reporting, preliminary investigations and report submissions to the appropriate supervisor. 11. Will complete all assignments as directed by their supervisor, including attendance at specified training. 12. Requires flexible work schedule including some evening and weekend hours. 13. Performs other duties and responsibilities as assigned. 14. Ensures that Individuals and their correspondents are treated with the utmost dignity and respect and allows individuals to fully exercise their human rights. 15. Must comply with the Agency and Program time, attendance and call-in Policies and

Procedures and Code of Ethics. 16. Responsible to comply with the Agency Corporate Compliance Plan & Code of Ethics. 17. Responsible to report any suspected violations of the Plan or Code of Ethics to the appropriate Director, Program Administrator and/or the Agency's Corporate Compliance Officer as applicable. 18. Accepts Agency/Program safety procedures and establish safe work practices in day-to-day functions of the job. 19. Maintain confidentiality of Individual information in accordance with the requirements of NYS Mental Hygiene Law and the Agency's HIPAA Policies and Procedures. 20. Complete SCIP-R training instructor & medication administration certification. **QUALIFICATIONS:** **EDUCATION/EXPERIENCE:** High School Diploma with two (2) years of experience working with the intellectually/developmentally disabled population is required. Bachelor's or Associate's degree in human services, psychology, behavioral science or other related field helpful. OR An equivalent combination of directly relevant education, training and experience deemed adequate to effectively perform the job.
