

Electronic Technician – West Seneca, NY

National Fuel has an immediate, full-time opening for an **Electronic Technician** in our Operations Department at our **Mineral Springs Service Center** located in **West Seneca, NY**. National Fuel is proud to have an inclusive workplace where diversity is valued, hard work is rewarded and promotion from within is supported. We offer exciting career opportunities for talented and ambitious job seekers and encourage you to apply today.

PRIMARY RESPONSIBILITIES:

- Implementation and maintenance of electrical power circuits and equipment, control and automation systems, and electronic equipment used in pipeline systems and compressor stations
- Installation, inspection, maintenance, calibration, and troubleshooting of electronic equipment such as telemetering, programmable logic controllers (including Allen-Bradley), modems, transducers, sensing devices, radio & satellite equipment, remote terminal units, computer interface equipment and cabling
- Maintain power distribution systems including motor control centers, UPS, generators, and variable frequency drives
- Provide coverage for electrical, mechanical, instrumentation and control logic systems for natural gas-powered engines and turbines as well as reciprocating and centrifugal gas compressors. Provide inspection for construction and/or maintenance activities performed by third parties for compliance with safety, regulatory requirements, and NEC (National Electrical Code)

MINIMUM QUALIFICATIONS:

- Possess an Associate's Degree in Electronics or have equivalent work experience
- Have a valid driver's license and be able to travel to various work locations throughout the day
- Demonstrated experience and a thorough knowledge of NFPA, National Electrical Code, single & three phase systems, digital & analog electronics, electronic test equipment, wiring methods and safety practices
- Proven technical abilities, mechanical aptitude, the ability to quickly solve problems, and strong computer skills for diagnostics and installation of equipment
- Possess outstanding leadership skills to take a leading role in electrical and automation systems
- Be able to work outdoors in all types of weather and the ability to work in and around hazards
- Live within a reasonable commute of our Mineral Springs, NY location at 365 Mineral Springs Rd, Buffalo, NY 14210 or be willing to relocate. Candidates may be given 6 months from their hire date to permanently relocate
- Availability to work Monday through Friday from 8:00 am and 4:30 pm and may include occasional overtime work off hours, weekends, and holidays

PREFERRED QUALIFICATIONS:

- Previous experience working as an Electronic Technician
- Demonstrated work experience in electronic automation control systems a plus
