

GAS MEASUREMENT & REGULATOR TECHNICIAN – ORCHARD PARK, NY

National Fuel is currently seeking a **Gas Measurement & Regulator Technician** for an outstanding career opportunity in our Operations Department at our Orchard Park location. National Fuel is proud to have an inclusive workplace where diversity is valued, hard work is rewarded and promotion from within is supported. We offer exciting career opportunities for talented and ambitious job seekers and encourage you to apply today.

PRIMARY RESPONSIBILITIES:

- Installation and maintenance of gas system pressure regulation equipment, gas measurement/ metering equipment, electronic flow control devices, mainline control valves, and system odorization equipment. Assist with gas system shutdowns as part of both routine maintenance activities, replacement work, and during emergencies. Respond to call outs involving gas system flow control and pressure regulation.

MINIMUM QUALIFICATIONS:

- Associate degree in Electronics or equivalent work experience.
- Ability to work independently or as part of team to accomplish system critical functions.
- Strong mechanical aptitude.
- An understanding of intricate mechanical, pneumatic, and electronic control systems/ equipment function.
- An understanding of pressure systems, gas flow, gas measurement, and purging operations.
- Ability to work outdoors in all types of weather and around potentially hazardous and/or difficult to reach areas.
- Strong ability to read, interpret, and analyze written information and act upon that information in the field.
- Computer skills including the use of an electronic device in the field to document work activities, view and interpret maps/ records, learn new software systems and electronic field applications.
- Ability to communicate both verbally and written including documentation of critical inspection work.
- Ability to learn in both a classroom setting and field setting in order to pass written and hands on gas industry qualification testing.
- Valid driver's license.
- Available to work Monday through Friday during business hours but also off hours, weekends, and holidays.

PREFERRED QUALIFICATIONS:

- Previous experience working as a Gas Measurement & Regulator Technician.
