

INFORMATION TECHNOLOGY AUDITOR - WILLIAMSVILLE, NY

National Fuel is currently seeking an **Information Technology Auditor** for an outstanding career opportunity in our Audit department located in Williamsville, NY. National Fuel is proud to have an inclusive workplace where diversity is valued, hard work is rewarded and promotion from within is supported. We offer exciting career opportunities for talented and ambitious job seekers and encourage you to apply today.

PRIMARY RESPONSIBILITIES:

- Primary responsibilities include planning, examining, evaluating and reporting on Information Technology processes and procedures throughout National Fuel
- The IT audits are performed as necessary to complete the annual risk based audit plan and to coordinate compliance with the General Computer Controls requirements under the Sarbanes Oxley Act of 2002
- Auditors are required to identify and communicate opportunities to strengthen controls, provide processes improvement recommendations and ensure compliance with internal policies and procedures
- Auditors are also requested to participate as consultants on special project assignments as requested by management

MINIMUM QUALIFICATIONS:

- Bachelor's Degree
- Working knowledge of information technology processes and related controls
- Exceptional verbal, analytical, written communication skills and a strong attention to detail
- Initiative, professionalism, and the ability to work both in a team and independently to drive the timely completion of assignments

PREFERRED QUALIFICATIONS:

- Concentration in Management Information Systems, Accounting Information Systems, or Computer Science
- Prior audit experience, or a minimum of 2+ years technology experience with knowledge of audit process
- Relevant professional certification - if no active professional certification, the successful candidate should be willing to pursue CISA (Certified Information Systems Auditor)
- Proficiency with Microsoft Office (Word, Excel, PowerPoint), Microsoft Power BI and familiarity with Data Analytics
