- Interact with dynamic working professionals in a positive work environment.

When is the Summer Youth Employment Program?

This year, the majority of jobs will start on July 9, 2012 and will end by August 17, 2012.

How many spaces are available this year?

This year, space is extremely limited and we encourage youth to apply early and attend scheduled appointments.

Completing the application does not guarantee that you will receive a job this summer. Completion of the application is just the first step in determining if you meet the program's eligibility requirements.

This is not a program where youth just “sign-up” and get a check. Once you are approved to participate and receive your summer job assignment, you will be expected to report to your worksite daily and to follow all rules established by your employer and work site supervisor.

You are expected to be active, engaged and to always put forth your best effort while on the job. Each youth is assigned a staff person who acts as a liaison to the business. Any participants who are unable to maintain good standing with the employer will be subject to termination from the job.

How will Youth Participants get paid?

All participants in the 2012 Summer Youth Program will be paid the New York State minimum wage of \$7.25/hour.

Participants will only be compensated for time worked and up to the maximum numbers of hours permitted by the program.

You will receive a pay check from Niagara County on a regular payroll cycle. **You are strongly encouraged to open a checking or savings account now so that you do not have to pay fees for check cashing or experience delays in accessing your money. You will also be encouraged to use direct deposit so you will not experience delays in accessing your money.**
