Job Description:

Sanborn. Production Operator. Bridgestone APM Company. FT. Benefits. 2nd and 3rd Shift. We aspire to offer the best for our team members. Our commitment to safety and family is to strive to be a company trusted- a company in which all of us can take great pride. We adhere to principles of good faith as you carry out your work, in the way you treat others, and as you participate in and engage with our communities. It is about producing positive outcomes by respecting a diversity of skills, values, experiences, genders, and races and fostering teamwork. By enhancing how people live, learn and work, the company strives to have a positive impact on the communities in which it operates. Acting on these commitments and working with our various partners, we will help build safer, healthier communities and make education more accessible and inclusive. We will build on our strengths and competencies to serve communities today and in future generations. Essential Functions * Perform all duties in a safe and efficient manner. * Per production schedule, process parts according to Operating Standards, process sheets and IWIs. * Finish and inspect all parts to meet customer quality standards as assigned * Pack all parts in customer approved containers with correct quantities and labels as assigned. * Complete and record daily checks as described in IWIs as assigned * Report any excess scrap issues as they arise to the Supervisor and Team Leader * Maintain a safe working environment and report safety issues as they arise. * Work with other operators to ensure quality product and a good working environment. * Maintain 3S standards to ensure a safe work environment and a quality product. * Utilize the proper handling, storing, and disposal of generated waste. Other Duties * Please note this job description is not designed to cover or contain a comprehensive listing of activities, duties or responsibilities that are required of the employee for this job.
