

RESUME 663

OBJECTIVE

Highly motivated, knowledgeable, and results-driven professional to secure a position with your company or organization, utilizing my skills, training, expertise and experience

SUMMARY OF QUALIFICATIONS

- Over 10 years of experience in the construction / home improvements industry, assisting a wide range interior and exterior projects with carpentry, etc., and remodeling, rough framing, roofing, siding, and windows and doors.
- Knowledgeable and experienced in HVAC installation and troubleshooting misfires and defective parts and equipment.
- Utilized as needed as a knowledgeable and respected resource, the “go-to” professional, highly regarded by all levels of management, and peers to provide clarity of thought, sound judgment, well-informed decision-making, and solutions for some technical and other culinary production logistics issues to maintain and or enhance patron relations through the formulation of effective strategic planning.
- Multitasks efficiently, learns new systems quickly, and completes all projects and assignments on time or ahead of critical deadlines
- Leverages technology to maximize productivity, Windows, MS Office, Internet research, email, etc.
- Works well independently and/or collaboratively in a team environment

PROFESSIONAL EXPERIENCE

2020 – 2020 ***Landscaper***

Green Knight Landscaping, East Amherst, NY

- Operate vehicles or powered equipment, such as mowers, tractors, twin-axle vehicles, snow blowers, chainsaws, electric clippers, sod cutters, or pruning saws.
- Care for well-established lawns by mulching, aerating, weeding, grubbing, removing thatch, or trimming or edging around flowerbeds, walks, or walls.
- Install rock gardens, ponds, decks, drainage systems, irrigation systems, retaining walls, fences, and or planters.

2019 – 2019 ***Laborer***

Towlson Plumbing & HVAC, Lockport, NY

- Mount compressor, condenser, and other components in specified locations on frames, using hand tools and acetylene welding equipment.
- Measure, cut, thread, or bend pipe or tubing, using pipe fitter's tools.
- Study blueprints, design specifications, or manufacturers' recommendations to ascertain the configuration of heating or cooling equipment components and to ensure the proper installation of components.
- Repair or service heating, ventilating, and air conditioning (HVAC) systems to improve efficiency, such as by changing filters, cleaning ducts, and refilling non-toxic refrigerants.

2011 – 2018 ***Construction Laborer***

New York Fish House, Niagara Falls, NY

- Measure, mark, or record openings or distances to layout areas where construction work will be performed.
- Erect or dismantle scaffolding, shoring, braces, traffic barricades, ramps, or other temporary structures.
- Load, unload, or identify building materials, machinery, or tools, distributing them to the appropriate locations, according to project plans or specifications.
