

Resume 716

OBJECTIVE

Highly motivated, well-organized, and results-driven professional to secure a position with your company as a **CDL-A Local or Regional Driver** utilizing my extensive skills, training, and experience

SUMMARY OF QUALIFICATIONS

- Over 20 years' experience as a Regional and Local delivery CDL-A truck driver, driving tractor trailers hauling general freight, with licensed endorsements of Tanker, previously HAZMAT endorsed, air brakes, delivering all shipments safely, as well as on time or ahead of schedule
- Current, clean CDL-A license, no restrictions, complying with all DOT rules and regulations
- Over 20 years' experience providing uncompromising highest standards of customer service, assisting customers with their requirements, requests, and selections, offering intelligent options customized to individual needs, assertively negotiating, in a liaison capacity, between workforce and on behalf of the customer to improve or enhance services, customer relationship building, and resolving issues to their complete satisfaction
- Operates forklifts and pallet jacks to unload and reposition items throughout a warehouse.
- Trained and fully compliant with all OSHA laws and regulations
- Strong communications, analytical, mechanically-minded, and problem-solving skills
- Multi-tasks effectively, learns new systems quickly, and completes all projects on time or ahead of critical deadlines

PROFESSIONAL EXPERIENCE

08/16 – 11/22 **Truck Operator**
Modern Disposal, Lewiston, NY

- Operated automated or semi-automated hoisting devices that raise refuse bins and dump contents into truck bodies.
- Drove trucks, following established routes, through residential streets or alleys or through business or industrial areas.
- Dismounted garbage trucks to collect garbage and remount trucks to ride to the next collection point.
- Communicated with dispatchers concerning delays, unsafe sites, accidents, equipment breakdowns, or other maintenance problems.
- Refueled trucks or add other fluids, such as oil or brake fluid.
- Cleaned trucks or compactor bodies after routes have been completed.
- Perform routine and scheduled maintenance services, oil changes, lubrications, and tune-ups.
- Follow checklists to ensure all important parts are examined, including belts, hoses, spark plugs, brake and fuel systems, wheel bearings, and other potentially troublesome areas.
- Maintain DOT and vehicle documents, ensuring they are properly completed.

02/04 – 07/16 **Tractor Trailer Operator**
Schneider National, Carlisle, PA

- Drove trucks with capacities greater than 3 tons, including tractor-trailer combinations, to transport and deliver products, hazardous materials, or other cargo.
- Coupled or uncoupled trailers by changing trailer jack positions, connecting or disconnecting air or electrical lines, or manipulating fifth-wheel locks.
- Conducted pre- and post-trip inspections, notifying upper management of necessary maintenance or repairs to be performed, resolving minor issues personally.
- Checked all load-related documentation for completeness and accuracy.
- Maintained records, such as vehicle logs, records of cargo, or billing statements, in accordance with regulations.
- Checked conditions of trailers after contents have been unloaded to ensure that there has been no damage.
- Inspected and maintained vehicle supplies and equipment, such as gas, oil, water, tires, lights, or brakes, to ensure that vehicles are in proper working condition.
- Drove trucks to weigh stations before and after loading and along routes in compliance with state regulations.
