***If you receive Family Assistance, Safety Net Family Assistance, SNAP, Medicaid, SSI, or HEAP, you are automatically income eligible.**

Through this program, we strive to provide young people with the opportunity to:

- Earn money, obtain financial literacy education, and gain meaningful work experience
- Learn and develop the skills, attitudes, and commitment needed to succeed in today's world of work
- Gain exposure to various career industries
- Interact with dynamic working professionals in a positive work environment.

When is the Summer Youth Employment Program?

If we receive funding, the majority of jobs will start on July 5, 2022 and will end by August 26, 2022.

How many spaces are available this year?

If we receive funding, the amount of funding will determine how many youth we can hire. We encourage youth to apply early and attend scheduled appointments. Completing the application does not guarantee that you will receive a job this summer. The application is just the first step in determining if you meet the program's eligibility requirements.
